

Dear Teamgym Friends!

It is my great pleasure to Welcome You once again for the 2018 Edition of the GCP LISBON TEAMGYM INTERNATIONAL OPEN FOR CLUBS | PORTUGAL from the 22nd to the 24th of June.

Lisbon is welcoming the best teams and gymnast from Teamgym clubs and it is a great honour and a significant event for us.

Our Country and Club particularly has accumulated great experience in hosting large international events, and we have no doubt that Lisbon will meet, if not exceed, the expectations of all the participants and guests of the this Teamgym Competitions.

I want to assure you that we will do everything to make Lisbon a hospitable home for all the participants, where you can not only test your teams on an international event, but also interact with like-minded people and make new friends.

I am sure every participant will enjoy the Lisbon Region and will have the opportunity to have a look at the infinite variety of things the city has to offer.

On The Road to the 2018 Teamgym European Championships in Odivelas, this will be an amazing opportunity for all national gymnasts to test their skills and routines before this big event that will take place later this year.

I'm confident that the up-coming Lisbon Teamgym & Micro-team International Open for Clubs will bestow upon your lasting impressions.

From me personally and on behalf of our Club the Ginásio Clube Português, we wish all the participants high jumps, healthy competition and sporting achievements!

We look forward to welcoming you again or for the first time in Lisbon in 2018.

Yours Truly,

Manuel Cavaleiro de Ferreira

President of Ginásio Clube Português
and Chairperson of Lisbon Teamgym & Micro-Team International Open for Clubs 2018
